

This Period of Performance for this severable service should consist of one 12 month Base Year and two 12 month optional quantities. Interim payments are allowed based on the following schedule, for the Base Year:

1. After EPA receives notification that the individualized study results have been mailed, receipt of the approved public meeting presentation, and proof that meeting has occurred.
2. After EPA acceptance of the Manganese in Hair Sample Analysis Report.
3. After EPA acceptance of Draft Manuscript 1.

For Option Year One:

1. After Manuscript 1 has been through the EPA Clearance Process and submitted to the specified Journal.
2. After Manuscript 1 has been accepted by the Journal.
3. After EPA acceptance of Draft Manuscript 2.
4. After Manuscript 2 has been through the EPA Clearance Process and submitted to the specified Journal.
5. After Manuscript 2 has been accepted by the Journal.
6. After EPA acceptance of outline of Draft Manuscript 3.
7. After EPA acceptance of outline of Draft Manuscript 4.

For Option Year Two:

1. After EPA acceptance of Draft Manuscript 3.
2. After Manuscript 3 has been through the EPA Clearance Process and submitted to the specified Journal.
3. After Manuscript 3 has been accepted by the Journal.
4. After EPA acceptance of Draft Manuscript 4.
5. After Manuscript 4 has been through the EPA Clearance Process and submitted to the specified Journal.
6. After Manuscript 4 has been accepted by the Journal.
7. After EPA acceptance of Summary Materials suitable for an EPA Report.
